

Cheshire Y/Sea Dog Swim Club

Some things to remember about our (Sea Dog Swim Club) usage of the Cheshire Community Pool

- 1) We are guests at the Cheshire Community Pool and all the parents and swimmers represent our team. Please understand this and remember your actions reflect on our team and affect our relationship with the pool administration.
- 2) Every swimmer will be given a team ID tag that indicates you are a member of the team. Those tags have been purchased by STPA and will be available to the swimmers. **Every swimmer must have a tag that is visible upon entry into the Cheshire Community Pool.** The pool staff needs to know who is entering the facility.
- 3) Parents must identify who they are upon entry into the Cheshire Community Pool. The pool staff needs to know who is entering and exiting the facility. Parents just need to indicate to the front desk person that you are a parent of a swim team member.
- 4) Swimmers cannot just be dropped off. 12 & Unders are not allowed within the pool facility without parent supervision. Parents need to walk the swimmers into the pool area. That way the swimmers are supervised and swimmers won't be dropped off at the pool when there isn't practice.
- 5) Swimmers need to be picked up within 10 minutes of the scheduled completion of practice. Swimmers cannot be waiting within the pool facility unsupervised.
- 6) Your Y-Membership does not entitle you to use the Cheshire Community Pool outside of team activities. To use the Cheshire Community Pool, you must be a pool member. Our rental of the Cheshire Community Pool allows the team to use the facility for team activities.
- 7) Please do not call the Cheshire Community Pool to get information about our practice schedule. The best way to get our practice schedule is to go to the following website: www.c-dog.net. The Cheshire YMCA also gets way too many unnecessary calls. Please check your email and/or go the website to get the practice schedule.
- 8) *Parents wishing to watch practice need to watch from the picnic table area only.*

Thank you for your help in making our relationship with the Cheshire Community Pool the best it can be. Remember, our swimmers are the ones who reap the benefits of a great relationship between the Cheshire Community Pool and the Sea Dog Swim Club.
